He has a one of a kind sound that is an amalgamation of modern genres and classic pieces. When asked what type of music he plays he often replies with a smile “Good Music” – because you can't put music into boxes. J has played at and promoted several memorable weekly and one-off events in Baltimore's hottest venues.

1:30pm to 3pm – [The RWM Band](#) – As a contemporary guitarist, Reggie's Uptempo Rock-Edged Style developed from listening to Jimi Hendrix and B.B. King and fusing their influences with his own unique approach to create his "Boogie Woogie Rhythm & Rockin' Blues" that allowed him to tour Italy, France, Hawaii and the U.S. with an appearance at Carnegie Hall as a "Career Milestone." He has the distinction of being the only artist to perform at the Baltimore Blues Society Festival nine consecutive years.

3:30pm to 5pm – [The 8 Ohms Band](#) - The 8 Ohms Band is a powerhouse lineup of players from all over the DC metro area. Bringing heaping doses of Horn Heavy Funk backing the vocals of I-Peace Unikue! Drawing from diverse musical backgrounds, The 8 Ohms are known for blurring the lines between hard groove, funk, soul, reggae and a slight taste of DC's own go-go music. Regardless of the music, the energy is undeniable & the 8 Ohms are masters at keeping the dance floor moving!

5:30pm to 7pm – [Alter Ego](#) - Alter Ego was formed in 2011 by bringing together the varying styles and influences of five of the area's most active musicians. Focusing on a diverse mix of covers, featuring the best of Rock, Pop and Dance, Alter Ego brings one of the most entertaining, energetic and polished acts to the stage each and every night in the Mid-Atlantic area.
